President's Message

I cannot believe it's nearly the end of Term 3! Such a huge few weeks with so many great events and things occurring.

We had a hugely successful Father's Day Stall, led by Sara Joyner. Sara coordinated all the gifts, the wrapping and volunteers, who made it such a great event for the kids. We hope all the Dads/Grandfathers liked their little presents.

This year we moved the annual P&C Father's Day Breakfast a week early, to ensure as many Dads and kids could attend, and it was a wonderful morning. Over 330 people ordered food for the event, with our Canteen Supervisor, Kristy, doing a great job of managing all the catering logistics, and Rebecca Abbott led a team of fantastic volunteers who made sure the Dads/Pops/Uncles were well fed and looked after. On the day we also had school mum, Jamie Davies, taking lovely family photos. These were then printed and framed in a card and sent home for Father's Day.

The K-2 Playground is currently in production and has an installation date set for November. We can't wait to see this project come to fruition.

The P&C are proud to provide financial support to students who represent at State level in sport or other activities. This term, we were able to support Violet Knight and Ethan Keeble. Congratulations on your amazing achievements.

Our Second Hand Uniform Shop is having a big Summer Sale this Friday, so make sure you get in there to grab some bargains ready for Term 4.

The Uniform Shop team are busy in the shop every Friday and gearing up for lots of summer uniform sales. They have also been preparing uniform packs ready for our 2023 Kindy kids.

Canteen Operations

Menu

The Term 4 Canteen menu is attached to this newsletter. All items and prices will come into effect from Monday 10th October.

The P&C Executive and canteen team have worked together in recent months to review canteen pricing, considering high-cost increases that have been passed on from suppliers on all purchased stock as well as the effect of inflation and environmental factors on grocery items and fresh produce. Decisions to increase canteen prices are not taken lightly and are undertaken to ensure that our school can maintain our current P&C operated, 5 day, recess and lunch service canteen.

Thank you in advance to the Year 6 student helpers for giving up your lunchtime break to assist the canteen team in serving counter snacks, ice blocks, drinks, and special surprises to the student body of Glenhaven PS.

Key details for parents and students:

- Counter service is available to ALL students on WEDNESDAYS/ THURSDAYS and FRIDAYS only.
- The counter menu is limited to snacks, iceblocks and drinks. All lunch orders will need to be ordered via Flexischools as normal.
- Counter service will be at lunchtime only. Recess will remain online orders with no exceptions made. Students without recess will require a canteen token from their classroom teacher and an IOU invoice will be issued.
- There will be a counter service menu shared to the community early in Term 4 so students and their families can discuss what might be some good items to order and plan ahead.
- Counter items will be priced from and in increments of 50c pieces. The maximum price of a counter item will be \$3. Please hold onto your 50c, \$1 and \$2 pieces to assist the student helpers and the canteen ladies with our quick additions!
- Students will only be allowed to purchase items for themselves – purchasing for friends is not permitted.
- We will keep the community updated on special items and treats that will be available via Sentral and the Hungry Haven Canteen Facebook page.

Having a canteen counter service return after 2.5 years is VERY EXCITING for everyone. To ensure that this is a great experience for everyone it would be great if parents could discuss lining up in a queue and placing orders with students during the holiday break to help the canteen team and Year 6 helpers service everyone efficiently.
